1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Utilities, Inc.

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

Utilities, Inc. is grossly negligent in charging me in excess of actual usage.

I received a Bill dated 05/31/2011 for account \$99.79 which I paid on 6/15/11.

with a due date of 6/27/2011 for meter

in the amount of

The previous meter reading on 4/30/11 was 1151440 gallons. The bill stated a current reading on 5/29/11 or 6,920 gallons used.

I read my meter today, 7/9/11 and the actual reading is 1153570. I have been away from my residence since 5/8/11 only returning today.

This wildly high report of usage caused me to employ help to shut down my automatic outside plant watering system in May feeling there was a leak using 230 gallons a day. This has resulted in loss of plantings. I have actually only used 2130 gallons since 4/30/11 or 30 gallons per day. In my 30 years of dealings with Utilities, Inc./ Carolina Water Service my usage has never approached 1/3 of what was billed.

Their negligence has caused me duress and significant damage to my landscaping.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \* (This section should be completed.)

No. I will be away.
